Arrowhead Park Fundraising

The 2008 Mother's Day tornado took a toll on our beloved Arrowhead Park trail system, built by hand by a group of volunteers over a period of years. At this time, the trail is closed due to numerous tree fall and debris on the trail. OMBA is raising funds for equipment to help our volunteers rebuild and reopen the trail, and making it better than it was before the storm.

About the Middle Georgia Mountainbike Festival

- Organized rides, games, and Dirty Duathlon race
- Food, beer, and camping
- Promote mountain biking for the whole family and foster a community spirit.
- Average attendance of 300 from around the Southeast
- Nationwide publicity through SORBA (Southern Off-Road Bicycle Association) and IMBA (International Mountain Biking Association)

About OMBA

OMBA (Ocmulgee Mountain Bike Association) is the Middle Georgia Chapter of SORBA-IMBA. We are extremely fortunate to have many miles of great trails to ride in this area. Our goal is to promote mountain biking through trail advocacy, trail maintenance, education, special events, and group rides. Visit us on the web at www.sorbaomba.org.
